

Background

The Government is providing additional funding of £150 million per annum to provide new, substantial primary school sport funding. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school Headteachers to spend on improving the quality of sport and PE for all of their children.

This sport funding can only be spent on provision of sport and PE and sport in schools.

PE & Sports Grant Allocation

	2016/17	2017/18	2018/19
Total received:	£9,000	£ 17,930	£ 17,930

Department for Education's Purpose of Funding

Schools must spend the additional funding on improving their provision of PE and sport, but they have been given the freedom to choose how they do this.

Possible uses for the funding:

- Employ our PE coordinator / Specialist PE teachers or qualified sports coaches to work alongside our teachers when teaching PE in order to strengthen teaching and learning in this subject across the school
- Support and engage the least active children in physical activities by providing a wide range of activities
- Pay for professional development opportunities for teachers in PE and sport (and pay for cover to release teachers to attend)
- Running sports competitions or increasing pupils' participation in the sports and physical activities / school games
- Provide places for pupils on new or additional sports clubs
- Improve resources to support the development of the subject
- Membership to professional sports partnerships
